## About

Full Stack developer with two years of experience in the IAF  
I gained experience in several diverse projects, using technologies such as Node js, React, and Azure.  
I love the field of development and I am committed to learning and adapting to new technologies.  
I significantly want to contribute to a dynamic and challenging environment. and bring my technical skills to a new challenging environment.  
I am looking for opportunities to grow and make an impact.

## Experience

### May 2022 - Present

#### full stack developer | IAF | Israel, Rishon LeZion
